Returning Confidence to Your Smile

At Mack Dental our philosophy is to provide treatment to the whole person - with a special focus on your teeth and gums, as it relates to your total body health.

We want you to be confident that your smile achieves your goals for comfort, function and appearance. We're here to make that happen.

We also understand that choosing a dentist is an important decision. After all, your smile is your greatest asset and says a lot about your overall health. From the moment you walk in the door. You'll be welcomed by a caring staff in a

relaxed, stress-free environment where the whole family can feel at ease.

Mack Dental offers a full range of general & cosmetic dental treatments at our office to help you achieve your perfect smile. We utilize the latest in dental technology and techniques in order to offer you the best preventive care and treatment.

Relax with confidence at Mack Dental. We're your neighbors and we're here to help you maximize the health of your smile.

Services we offer include:

Bonding, to repair small chips or cracks
Crowns & Bridgework, to replace large amounts of lost tooth structure and/or missing teeth

Dental Implants, for the longest-lasting tooth replacement available today

Fillings, to make your teeth strong and healthy

Oral Cancer Screenings, to detect disease at a curable stage

Periodontal (Gum) Disease Therapy, to prevent tooth loss

Professional Teeth Cleanings, to maintain good oral health

Removable Dentures, to help you smile again

Root Canal Treatment, to save an infected tooth

Sealants, to protect children's teeth from decay

Teeth Whitening, to brighten a faded or discolored smile

Tooth Extractions, when a tooth is hopelessly damaged or decayed
